SMELL GAS? ACT FAST!

Here's what you should do if you smell gas.

- 1 Go outside or leave the area right away.
- 2 tell a grown-up to call for help.
- 3 Don't go back into the house until an adult says it's safe.
- 4 Don't turn the lights on or off or use anything electrical including the telephone.
- 5 Stay away from pipes that carry natural gas.
